- ✓ Compatible: one size available
- Compatible: choose appropriate size/model -- For SkyBounce BB set, see * below
- Compatible: must be used with Octagon. Poles are not strong enough to use without the Octagon Kit
- ✗ Not Compatible

****Basketball set:** Additional adapter needed to use basketball set with Elite and Octagon kits. (Included with Elite, sold separately for Octagon)

Basketball set designed for Classic, Elite and AO lines. While it will fit, it is not recommended or warranted for use with SkyBounce.
